

## 2019 TVHS Girls Lacrosse

Dear Community / Business Member,

Temecula Valley High School (TVHS) sports programs have been offering invaluable opportunities for student athletes in our valley for over 30 years. As a result, these programs have been providing a venue for community and business members to come together and cheer on their favorite teams. This level of outward support helps to form and foster important bonds between our students and their community. TVHS is proud to have a **Girls Lacrosse** program that is no exception.

Now in its ninth year, our program is ranked among other elite high schools in California Interscholastic Federation (CIF) play. This fast-growing, fast-paced sport combines overall athletic skills with tactics and strategies. Its historic origins are founded on the Native American Indian game, commanding respect and good sportsmanship.

Unlike other programs, ours is not yet funded by the school district and the enormous financial burden falls to the program's 40-plus participants and their families. **Funds required to enable the program cover operational costs such as: equipment for the players, transportation to away games, referee fees, field costs, maintenance, and team uniforms.**

This is where you can lend a much welcomed hand. **Please consider making a tax-deductible donation to our program.** Each donation, no matter the size, will help fund our Varsity and Junior Varsity (JV) teams. There are different levels of sponsorship, each with its own benefits. Please refer to the following document labeled **2019 TVHS Girls Lacrosse Sponsorship Opportunities** that defines the level of sponsorships offered by the program, and complete as appropriate.

We gladly provide receipts of your donation, along with the TVHS Golden Bear Foundation non-profit EIN number for your tax records. Find out more about our program by visiting our website at [tvhsgirlslax.com](http://tvhsgirlslax.com).

Thank you in advance for your donation. Please know our girls deeply appreciate your assistance!

Sincerely,

**Board President**  
**TVHS Girls Lacrosse Program**
